

### **You Are An Angel**

We are to welcome all,  
for there is no such thing as a "stranger."  
Every stranger has an angel,  
but very few will experience them.  
Because only those who have courage,  
will open their heart unconditionally.

Courage comes through prayer.  
Open your heart and mind to Him,  
for He is your strength and direction.  
Through Him you are the angel to a stranger.
